Dear Mr Nutley,

What a wonderful surprise I got when I heard about the cheque for £3,750 we received from you on Saturday 17th February. I can't tell you how much this means to our Young Carers – we will be able to put the money to various good uses, mainly in our club nights when we do all sorts of activities with the youngsters as well as occasionally taking them out for treats which otherwise they would never have.

I am sorry I was unable to attend your social evening, owing to an other commitment I had, but Wendy Pate, our temporary manager, told me she had thoroughly enjoyed the evening and found it most interesting.

I can't thank you and your brothers enough for your wonderful generosity and kind thoughtfulness when including us among the recipients benefitting from your fundraising.

Yours sincerely,

Lady Tweedie
Chairman
