Dear

Thank you all so much for
such a wonderful evening. We're
so sorry for taking so long to get
back to you.

The cheque is going to go towards
all the work that we do and it
will give opportunities to young
people that wouldn't normally
get the chance.

We really appreciated the great
night out and were touched
and honoured by all the hard
work that was involved.

Many, many thanks,
Katie +
Anna
